Subject: B2B panel research questionnaire

David,

We had a food scientist review the questionnaire. Can you make/consider the following changes and send us a further revised copy?

Thank you!

Audrae

Q2 consider adding fruits/juices, cereals and meats

Q5 add to table: fruit juice concentrates and agave nectar

Q8 add product development

Q12 in the table, change 2nd line to read "HFCS metabolizes the same as sugar", not at same rate - two different questions

Q13 add to table: personal conversation with knowledgeable scientist

Q25.5 insert question: In the next 6 months, how likely is it that your company will replace sugar or other sweetener with HFCS in any products?

Q26 add fruit juice concentrates and agave nectar
